A gift from Advanced Bodywork & Massage

Mary Jo Smiley CMTPT, MMT, LMT

My doctor has evaluated my headache/migraine and has found no contraindications to the treatment of the muscles of the neck, shoulders and back for the pain. The possibility of food sensitivities will also be considered.

Please call Mary Jo Smiley CMTPT at 724-494-1468 to set up a free 45 minute evaluation for the possibility that myofascial trigger points and myofascial pain and dysfunction are the cause of your headaches migraines or jaw pain.
